

CURRICULUM VITAE

MICHEAL SCHILTKNECHT

Head Real Estate Development

Steiner Group

Michael Schiltknecht joined Steiner AG as manager of a Real Estate Development unit in November 2007 and was appointed Head of the entire Real Estate Development segment in August 2010. Michael Schiltknecht graduated from the ETH Zurich in 1995 with a degree in architecture.

He then worked as an architect for six years and obtained a second degree in business administration before joining Credit Suisse as an owner-builder representative for large projects. He subsequently assumed the position of Head of Project Development at AXA Winterthur.
